## *Happiness ~ What is it and how to achieve it?*

People everywhere are searching for happiness yet so many find it elusive. Usually when we desire something, we know what it is we want and if we have a strong enough desire for it, we discover the means of achieving it. Yet with happiness, so many ways are adopted to pursue it, and the more furious the pursuit, the further away it seems to be.

True and lasting happiness will only come into our lives, according to Swedenborg, through the state of our mind as we open ourselves to receive Divine love for use in our lives.

We will continue using Swedenborg's work, *The Heavenly City*, as the basis for exploring this important topic and our discussion of it.

Entry Donation: \$5 to help cover costs

Tea & Coffee will be provided afterwards.

*We look forward to welcoming you if you wish to come and are able to do so.*
