

Fourth Friday of each month
Swedenborg Readings

facilitated by Julian Duckworth

6:30pm, New Church, 4 Shirley Rd, Roseville

free admission

Come along to this session of the Swedenborg Reading Group to benefit from this personal growth circle which reads and reflects to provide practical steps for effective living. Each meeting covers new material, so new participants are always welcome. Readings are from various works of Emanuel Swedenborg (there will be spare copies available for use during the session).

The selected material covers important methods of working with ourselves, such as ways to cope with our emotional life using the experiences and words of Swedenborg as a guide. The main theme of exploration in this group is what Swedenborg calls '**regeneration**,' a lifelong, three-phase conscious inner growth process of being '**created anew**' so that we might grow into a more abundant life.

After the 6:30pm reading group there will be a refreshment break before starting the 7:45pm SAA Presentation event for the evening.
